Cleveland OH 44103

At **Collective Upcycle**
6602 Detroit Avenue
Cleveland OH 44102
{until Dec. 24th}

Upcyclepartsshop.org

A golden statue of a person with arms outstretched, standing on a pedestal, is the central focus. The statue is made of a shiny, metallic material and has some colorful paint splatters on its torso. It is positioned in the center of the frame, slightly to the left. The background is a cluttered workshop or studio with various items on shelves and tables, including a mannequin, a green stool, and various tools and materials. The lighting is warm and indoor.
