

The Fight for School Breakfast

Chaundrea Simmons

TRANSFORMATION PROPOSITION

What are you offering the community?

My vision for food justice helps communities who need more food options in their communities by implementing a free breakfast program.

PROBLEM

Why is this needed?

People deserve to have more accessibility to nutritious food.

IMPACT FOR NUTRITION EQUITY

What's happening with this work in the next 6-12 months?

Currently, this vision is building community and partnerships to build a foundation.
