

Produce Prescription Landscape Analysis YOUR help is needed!

- Are you a Black or Hispanic food grower, food maker, or nutrition educator?
 - Are you interested in integrating Black and Hispanic food sources into produce prescription or food-as-medicine programming in Cuyahoga County?
- If so, you may be eligible to join this study.

What to expect? Complete a brief survey. You may be selected for a 90 minute interview. If so, you will be compensated \$70 for your time during the interview.

What kind of information will be gathered? You will be asked to share experiences about produce prescription or food-as-medicine programming & ideas to integrate Black & Hispanic food sources into programming.
