News & Announcements

Food Systems Change Fellow, Kellee Etheridge, Takes on New Role as Lead Educator with Food Strong

We are excited to congratulate our 2021 Food Systems Change Fellow, Kellee Etheridge, on her new role! Kellee is becoming Lead Educator at [Food Strong](#). She will be responsible for coordinating, planning, executing, and evaluating Food Strong's educational programming. Kellee will use her cooking skills to implement cooking demonstrations in a variety of educational and community settings. [Food Strong](#) collaborates with community-facing organizations, grassroots initiatives, public institutions and private

Beginning Farmer Apprenticeship Program at The Coit Road Farmers' Market

The [Coit Road Farmers' Market](#), with support of Central State University Extension, is offering a training program for beginning farmers starting April, 2022. The Coit Road Farmers' Market has been an anchor on Cleveland's east side since 1932, with a mission of providing access to affordable, locally grown farm fresh products to the residents of Greater Cleveland. [Learn more about this opportunity or share with your networks!](#)

April Swetland Seminar

The AmeRicans' Conceptions of Health Equity Study (ARCHEs) Highlights

April 26th | 9:00 – 10:00 am

Presented by Colleen Walsh, PhD, Sarah Willen, PhD and Abigail Fisher Williamson, PhD, findings and lessons learned from the AmeRicans' Conceptions of Health Equity Study (ARCHEs), a two-phase research study that explores how Americans of diverse backgrounds think about the key question: "Whose health deserves society's attention, investment, or care?" [Register here.](#)

Swetland Spotlight

Welcome New Dietetic Intern Olivia Roder!

The Swetland Center is excited to welcome our newest dietetic intern, Olivia Roder, who will be conducting her rotation with the Swetland Center this month. Olivia has earned a B.S. in Dietetics, Nutrition, and Food Sciences from the University of Vermont and is currently working on her M.S. in Public Health Nutrition at CWRU, with a concentration in Maternal and Child Nutrition. Learn more about Olivia [here](#).
