University Response to Student Disclosure of Sexual Misconduct, Intimate Partner Violence, or Stalking

Information reported to Confidential Resources

Confidential Resource takes report and offers support and resources.

Does student want the information being disclosed to the Office of Title IX?

- No: Process stops until the student chooses to initiate University Process or support.
- Yes: Confidential Resources contacts the Office of Title IX to disclose information.

Information reported to a Responsible Employee (faculty, staff, resident assistants, orientation leaders, or teaching assistants)

Responsible Employee takes information and may provide information regarding resources. Tells student they have to report it to the Office of Title IX.

Information reported to Office of Title IX

Student is contacted by the Office of Title IX offering support, resources, and information about University process.

Does student respond to the Office of Title IX outreach?

- No: The Office of Title IX will make an additional attempt to contact the student. If student still does not respond, the office will provide information for reporting in the future.
- Yes: Student meets with a member of the Office of Title IX to discuss the complaint, resources, process, and resolution.

**Confidential Resources**
- Student Advocate for Gender Based Violence Prevention and Response
- University Health and Counseling Services (UHCS)
- Cleveland Rape Crisis Center (CRCC)

Note: In some cases, the Title IX Coordinator may need to move forward with an investigation based on nature of the information received. If this happens, the student will be notified.
