REGULATIONS FOR OFF-CAMPUS STUDY

After matriculation at Case Western Reserve University, students are permitted to earn no more than a total of 15 semester hours at accredited colleges or universities through approved off-campus study. Separate off-campus study request forms are required if taking more than two courses or attending more than one institution.

1. Course work may be taken at an accredited institution only with permission in advance from the Office of Undergraduate Studies.

2. Students must be in good academic standing. Any student placed on probation between receiving permission and the start of the term in which he/she plans to enroll may assume that he/she is no longer eligible to enroll and receive transfer credit for this work. Students on academic probation require additional approval and should contact the Office of Undergraduate Studies.

3. Students will not be permitted to take courses at other institutions in Cuyahoga County if they are offered at Case Western Reserve University in the same term. Exceptions to this policy will be permitted only in the event of extenuating financial circumstances, a documented work conflict, or cross-registration. Documentation of an extenuating circumstance must accompany the Off-Campus Study Request Form.

4. Students may register for no more than 12 semester hours of credit in any given term. One quarter hour equals two-thirds of one semester hour.

5. Courses taken at other institutions must be taught for a minimum of three weeks in order to receive transfer credit.

6. Transfer credit will be allowed only for courses completed with a letter grade of C or higher. These grades will not be recorded on the student's Case Western Reserve University transcript or included in his/her grade point average.

7. Credit earned elsewhere after matriculation is not applied toward the 60 hours required in residence.

8. Courses that do not have direct equivalents at Case Western Reserve University may be transferred as open electives at the 100-, 200-, or 300-level. (For example, "The History of Hawaii" will transfer as HSTY 100 TR.) Applicability of these courses will be considered on an individual basis.

9. Acceptability of courses required for satisfaction of major or minor requirements must be determined by the faculty representative from the appropriate department. Departments require detailed course descriptions, course syllabi, and/or textbook lists in order to verify course acceptability. Web-based courses always require additional departmental approval.

10. Students who have not declared a major should consult with their academic advisor(s) or dean about the choice of courses applicable to the degree.

11. Students are financially responsible for payment of all tuition and fees at the institution in which they enroll. This does not apply to students participating in the Cross-registration Program which allows full-time students in good standing to register for a course tuition-free at one of the participating Cleveland area institutions. Cross-registration is available only during the fall and spring semesters.

12. Graduating seniors only: Transcripts must be received by the Office of Undergraduate Studies no later than 30 days following Commencement at Case Western Reserve University. It is your responsibility to verify the transcript deadline date by contacting the Office of Undergraduate Studies. If a student has not completed all work for a course taken off-campus by the CWRU degree date, his or her degree date will be changed to the next CWRU degree date.

13. The student is responsible for asking the college or university that he/she attends to send a sealed copy of his/her official transcript to:
