Setting Academic Goals for Spring 2015

I hope that you had a good break and are ready to take on a new semester.

I am intentionally leaving most of this page blank so that you can use it to write out your academic goals for the semester.

Now that you have done this, why not share your goals with your advisor? He or she can be helpful as you refine your goals and set out specific action items for achieving them.

I wish you a successful spring semester! All of us in Undergraduate Studies stand ready to help in any way we can.

Let me know what you think. You can write to me at jeffrey.wolcowitz@case.edu.
