

PHI BETA KAPPA STUDENT RESEARCH GRANTS APPLICATION

The Case Western Reserve University Alpha of Ohio chapter of the Phi Beta Kappa national honor society sponsors research grants for undergraduates and graduate students in the College of Arts and Sciences.

The research grants range up to a few hundred dollars. There are no set number of grants. The funds are generally intended to support research itself, rather than living expenses in the Cleveland area. Costs of supplies and equipment related to the research, travel expenses, and fees to attend a conference would be examples.

Application deadline: April 19, 2019

Return applications to: The Office of Undergraduate Studies
Sears 447
ugstudies@case.edu

I. CANDIDATE INFORMATION

Name: _____ Student ID#: _____

Local address: _____

Phone: _____ Email: _____

Date entered CWRU: _____ Expected graduation date: _____

Major(s)/field(s) of study: _____

Degree program: Bachelor's Master's Ph.D.

Total amount requested: \$ _____
