ABOUT

A Landmark of Innovation and Unity

Tinkham Veale University Center—Case Western Reserve University's iconic 82,000-square-foot hub. With its unique architecture and philosophy of campus unity, "The Tink" connects the east and west sides, fostering collaboration and inclusivity. It's the dynamic heart of the campus, where ideas come to life.

A Legacy of Vision and Generosity

The Tinkham Veale University Center is a testament to the vision and generosity of Tinkham Veale II, a distinguished 1937 Case Institute of Technology graduate. Inspired by the transformative power of education and community, Veale's \$20 million donation brought this beacon of intellectual and social engagement to life. Experience the legacy of "Tink" at the center that bears his name.

Flexible event spaces fit groups of all sizes.

Elegant ballrooms with floor-to-ceiling city views. Perfect for galas, conferences, and symposiums.

ROOMS

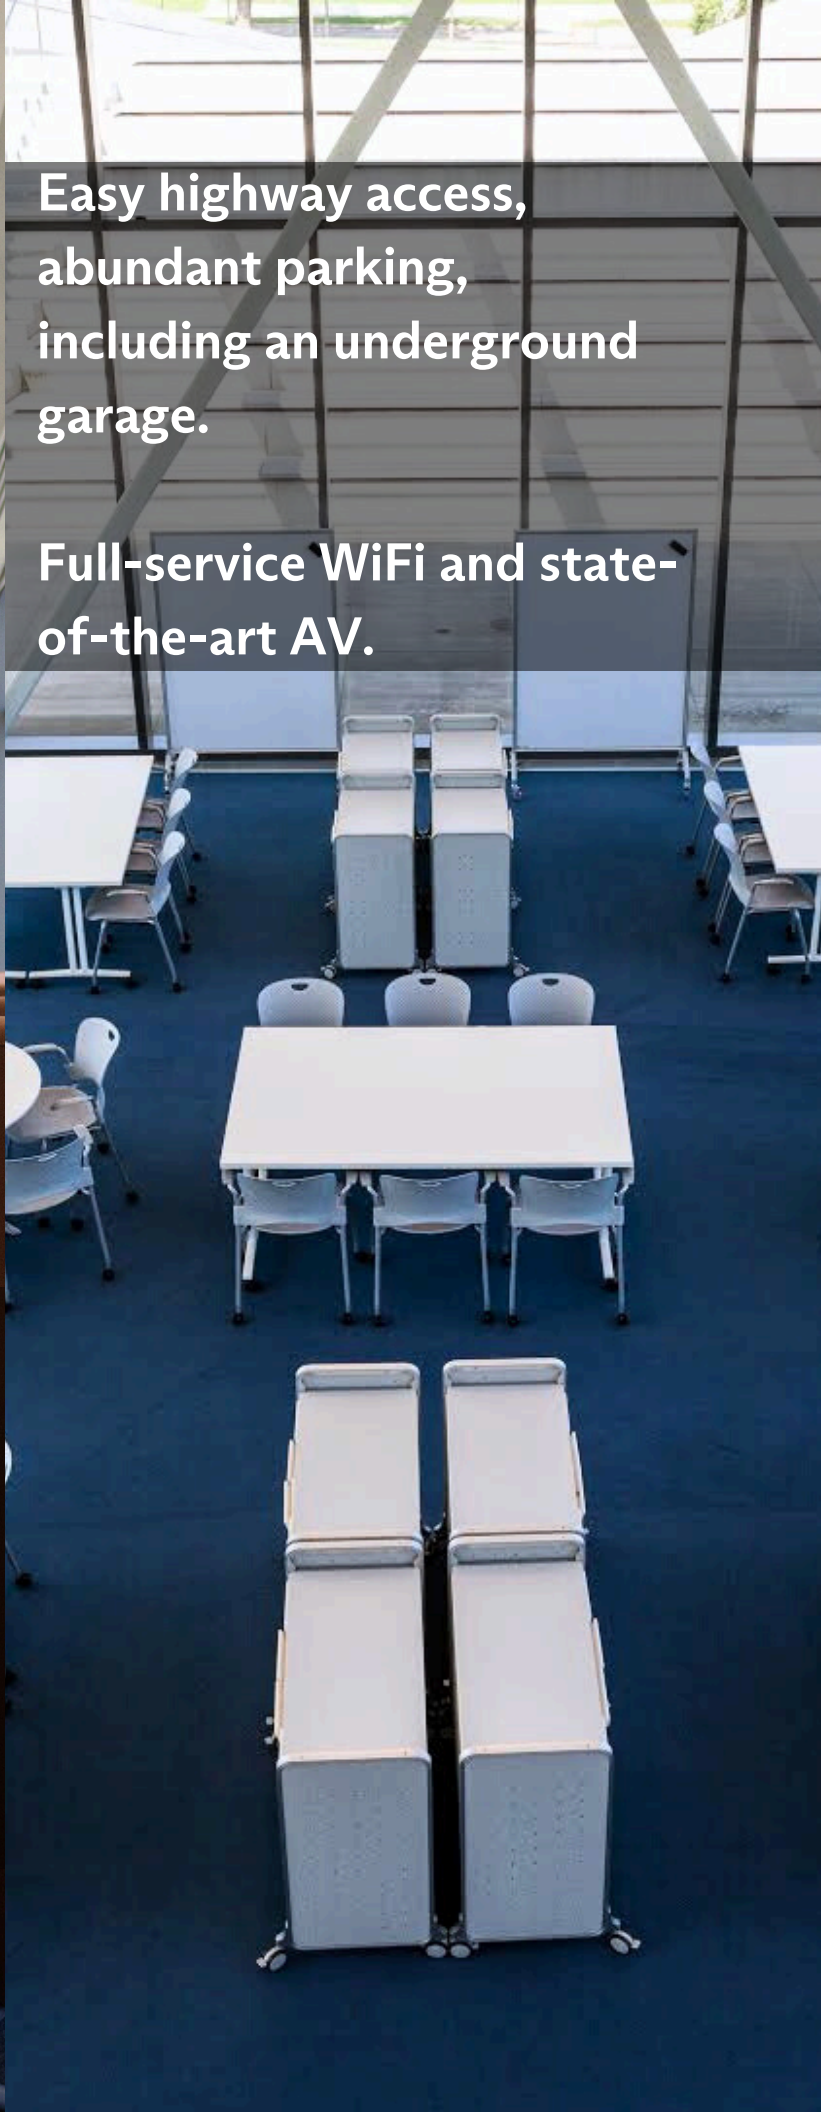

High-tech boardrooms and multipurpose spaces

Perfect for meetings, seminars, workshops, trainings, and receptions.

**Easy highway access,
abundant parking,
including an underground
garage.**

**Full-service WiFi and state-
of-the-art AV.**

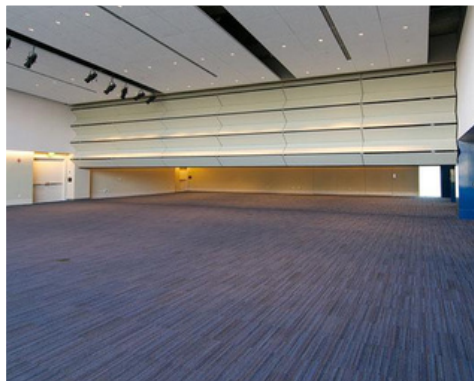

**Push button floor-to-
ceiling air walls.**

**Modularity and flexibility
to use the same rooms for
general sessions and
breakout rooms.**

Beyond flexibility

Host your general session and easily transform the space into three separate breakout rooms with soundproof divider walls at the push of a button, eliminating the need to book multiple spaces.

The Kelvin & Eleanor Smith Foundation Grand Ballroom

With 9,949 square feet, this venue can host up to 750 guests in a lecture setup or 400 for a banquet.

The air walls divide the space into three separate breakout rooms, offering flexibility and cost-efficiency.

Each area includes integrated projection systems and wireless microphones.

The floor-to-ceiling windows provide breathtaking views of the Cleveland skyline.

The Senior Classroom

At 1,285 square feet, this contemporary meeting area can be split into two distinct rooms, accommodating between 10 and up to 100 people. Each room has integrated monitors and conferencing tools for smooth presentations.

Featuring floor-to-ceiling windows that provide a view of the sculpture garden and Guilford House, creating a vibrant ambiance. The room also offers frosted film on the glass entrance and window shades, making it ideal for public and confidential meetings.

First and Second Floor Conference Rooms

At just under 400 square feet, these modern meeting rooms can accommodate between 5-25 people.

Both rooms feature built-in HD Monitors, HDMI ports, whiteboards, and comfortable seating, with the flexibility to rearrange furniture.

Conveniently located near the Information Desk, Grand Staircase, and the Kelvin & Eleanor Smith Foundation Grand Ballroom, these conference rooms provide a professional and versatile environment for your next meeting or event.

Student Organization Center

This 2,131-square-foot multipurpose room is located on the first floor of the University Center and offers flexibility for various setup options. It can accommodate 30-100 people.

The room features an 82" television for presentations, along with several whiteboards. Floor-to-ceiling windows on three sides provide stunning views of the East Bell Commons and Nord Family Greenway, and automated window shades are on the south and west sides.

PRICING AND CAPACITIES

Room	Reserve Rate	NonProfit Rate	Banquet	Reception	Theater	Classroom	Conference
Kelvin and Eleanor Smith Ballroom	\$875	\$700	450	800	750

With state-of-the-art audiovisual equipment, stunning views, and competitive rates, our ballroom provides an all-in-one solution for your event needs. Across our diverse range of rooms, capacities may adjust based on your specific setup, services, and equipment requirements. Our experienced team is dedicated to helping you create a tailored plan that maximizes your space and ensures your event's success.

CATERING

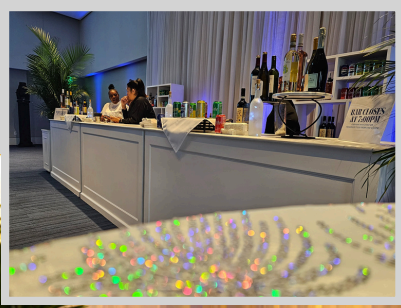

Our exclusive caterer, Bon Appétit, enhances your event by prioritizing the use of the freshest, highest-quality ingredients. They can provide basic coffee and pastry stations to sophisticated full-service bars and plated dinners, ensuring your event stands out. Bon Appétit provides a wide selection of vegetarian and vegan dishes, sustainable seafood, antibiotic-free poultry, and cage-free eggs, catering to diverse dietary requirements while maintaining delicious flavors.

TECHNOLOGY

Our internal audiovisual department ensures a seamless, comprehensive experience for your event.

- The rental fee includes **Basic AV Services**, providing access to a projector, microphone, speakers, HDMI connections for laptops, and a built-in podium PC at no extra charge.
- If additional assistance is needed, our **Active AV Services** offer a dedicated technician for presentations, audio recording, and Zoom services at \$35 per hour.
- For top-tier production, our **Advanced AV Services** by MediaVision offer video recording, editing, streaming, and tailored content services.

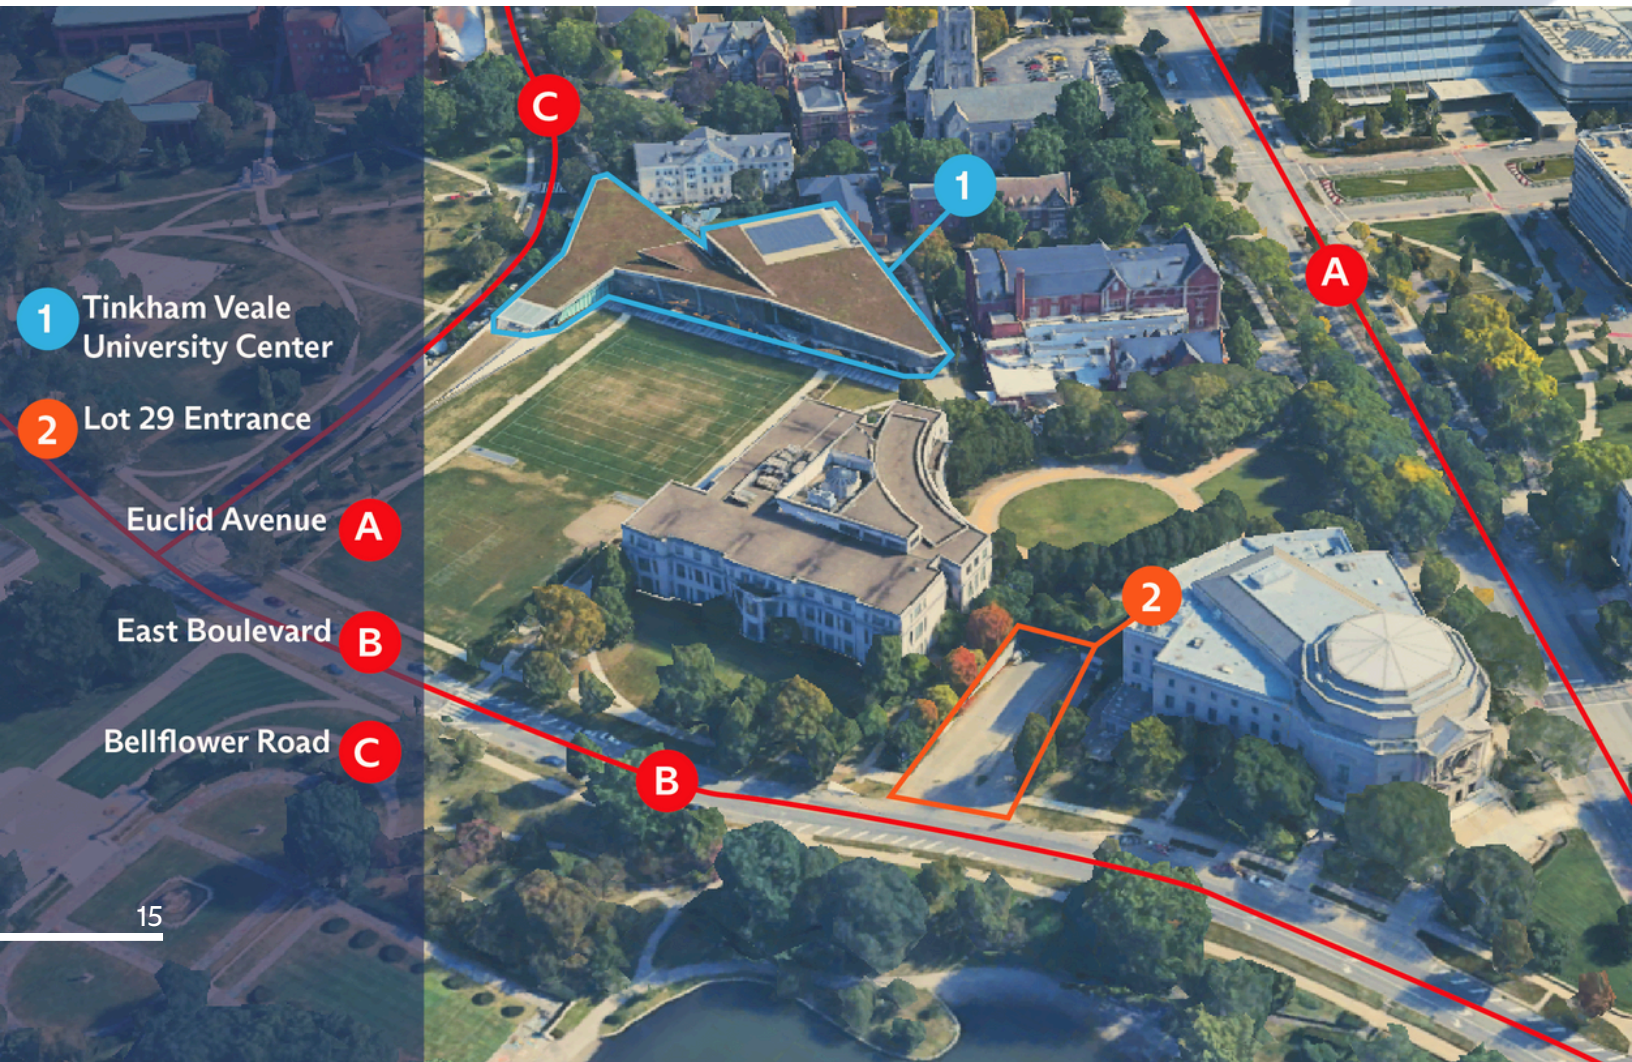

With a variety of laptops, AV equipment, staging, and lighting available for rent, the University Center has all the tools to create a captivating and memorable event that meets your audiovisual needs.

PARKING

While parking is not included in the event cost, our team collaborates with Parking Services, valet providers, and the Department of Public Safety to offer convenient parking and transportation options for your event.

To avoid confusion, provide your attendees with the correct parking garage address: 11172 East Boulevard, Cleveland, Ohio 44106, as using the building address will lead them to the wrong location. We will work closely with you to create a hassle-free parking and transportation plan tailored to your event's needs.

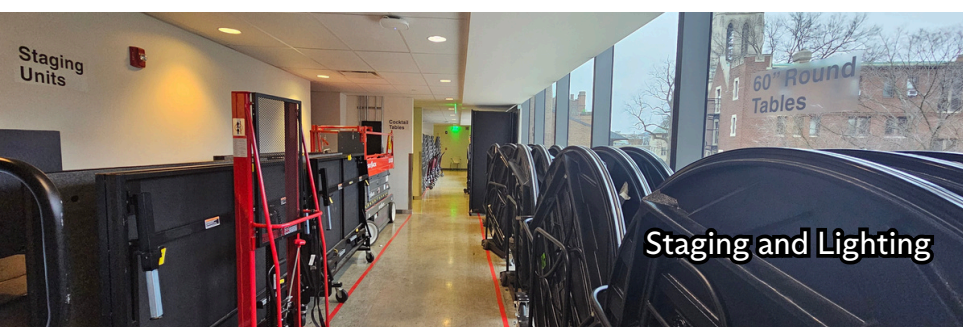

- 1 Tinkham Veale University Center
- 2 Lot 29 Entrance
- Euclid Avenue A
- East Boulevard B
- Bellflower Road C

 - Distance: .8 Miles
 - Car - 3 Minutes
 - Walking - 16 Minutes

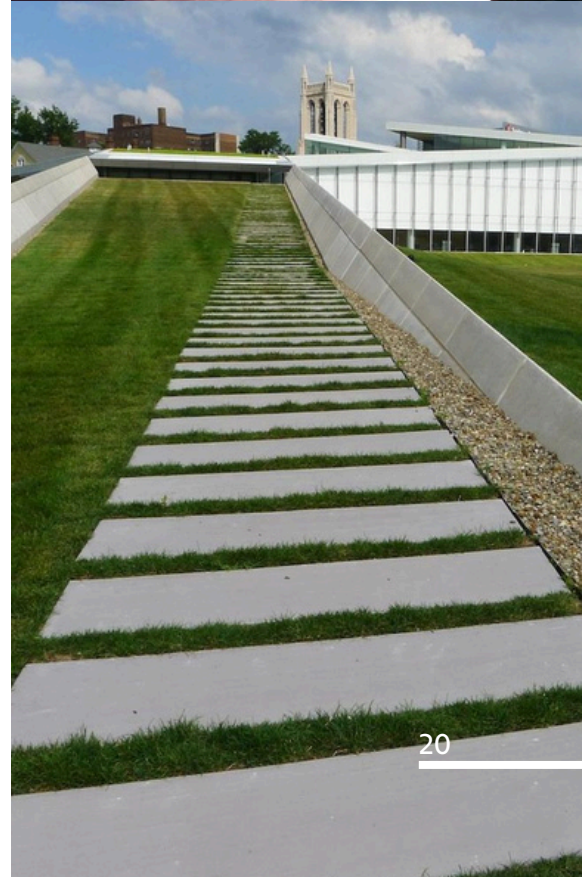

GREEN INITIATIVES

The LEED Gold certified Tinkham Veale University Center showcases CWRU's commitment to sustainability through:

- Efficient temperature control with double-skin glass curtain wall and automated window shades
- Green roof for insulation, stormwater management, and natural integration
- Rooftop photovoltaic panels for renewable energy
- Radiant floors, chilled beams, and an "air curtain" system for efficient heating and cooling
- Sustainable materials with recycled content and regional sourcing
- Promotion of alternative transportation

The center houses Bon Appétit, a leader in responsible dining, supporting local producers, reducing waste through composting and food recovery, and committing to the Real Food Challenge. CWRU's food pulper turns waste into compost for the University Farm.
