7.	<p>The Hourly Time Entry Approval screen appears.</p> <p>The Std Weekly Hours field displays the standard number of hours that the student is expected to work each week.</p> <p>The Standard Rate field displays the student's hourly compensation.</p>
8.	<p>The Date column displays the date for each time entry row. Each row can represent a maximum of one calendar day.</p> <p>Single days may be split into more than one time entry row if multiple Time Reporting Codes (TRCs) or Speed Types are used.</p>
9.	<p>The TRC column contains the Time Reporting Code for each time entry. To change a TRC, select an entry from the drop down list.</p> <p>Available TRCs for students are:</p> <ul style="list-style-type: none"> WSR - Work Study SWR – Summer Work Study NWS - Non-Work Study OPT - Overtime Premium (rarely used)

WSR: Work Study is a program awarded to a student with a financial need. Students who receive work study funds do not have to claim them as income and they are not taxed. The federal government subsidizes 75% of work study funds for student compensation, while the student's employer pays 25%.

NWS: Non-Work Study is a program like any job a student would hold off-campus. The employer pays 100% of the student's compensation.

Step	Action
10.	The Hours field contains the total hours the employee worked for a single time entry row.
11.	The Start Time field is where the student entered his/her start time for the work day.

Step	Action
13.	<p>The Speed Type field is initially blank because all student compensation is charged to the Department ID.</p> <p>If a student is working on a funded project, the Speed Type field can be used to override the Department ID by manually entering the Speed Type code.</p> 
14.	<p>A Comment field is available to enter more information.</p> 
15.	<p>To approve time change the button to approve.</p> 
16.	<p>The Dispute option can be checked if the supervisor does not agree with the student time entry, in addition to speaking to the student and/or notifying the Office of Student Employment.</p> <p>Note: Selecting the Dispute check box alone does not alert the Office of Student Employment to a problem with a student employee. Please contact the office directly for assistance when appropriate.</p>

Step	Action
17.	<p>You can add or remove time entry rows using the Add and Delete buttons.</p> 
18.	<p>To approve all student time entry rows up to the current date, click the Approve All button.</p> <p>Note: The current system date is initially displayed in the Through field.</p> 
19.	<p>Note: Clicking the Approve all button (without the Through Date) may cause future time entry rows to be approved. It is university policy that time cannot be approved in advance of the employee actually working it.</p>
20.	<p>To remove the approval check marks from all time entry rows, click the Unapprove All button.</p>
21.	<p>Click the Save button.</p>
