

M365 Installation - Android

• Navigate to office.com and then use your CWRU credentials (abc123@case.edu) to Sign In.

• Type in your password and click "Enter."

• A DUO authentication will be pushed to your designated device.

- After verifying your identity in DUO, you will land on the Office dashboard/homepage.
- Click on the red "Install Office" link to the right of "Good afternoon."

• On the next page, click on the red "Get the app" button.

• Then click the green "Install" button.

1

• After clicking on the Install button, the installer will start to download.

About this app

One app for documents, spreadsheets, presentations, PDFs, & more

 \rightarrow

• Once Office is installed, click the green "Open" button.

• The Office app will open and you'll click the orange "Get Started" button.

• Accept the privacy statement by click the "next" button.

• Next, you'll click the orange "Close" button.

• The Office app will then ask you to sign in, again using your CWRU credentials (e.g. abc123@case.edu).

• Another DUO authentication will be pushed to your designated device.
