

## **Main Campus Parking Now Available for CWRU Faculty & Staff**

### **Working at Buildings Outside of the Main Campus Area**

**May 7, 2019**

Access Services has graciously agreed to accommodate faculty and staff that are interested in working out at the Veale and/or Wyant Recreation & Athletic Centers during the work day. If you are a faculty or staff member working at the Health Education Campus, Cedar Avenue Service Center, or Bioenterprise Building, you may now use Lot 46 (for the Wyant Athletic Center) and/or Lot 53 (for the Veale Recreation Center) Monday through Friday between 12 – 4:30 pm. If you wish to workout at Veale or Wyant after 4:30 pm, you may automatically park in either garage without paying anything extra with a valid parking permit for main, west or JJ garage.

At CWRU, we strive to “make health the easy choice” for all. We are grateful to Access Services for facilitating this mission for our university faculty and staff!

#### Procedure:

Please email ([Access@case.edu](mailto:Access@case.edu)) Access Services to notify them that you would like to use Lot 46 or Lot 53 to work out at either Recreation Center. You will need to notify them of your desire to use one or both of those parking garages for workout/physical activity. All faculty and staff will be able to access Lot 46. Any person who does not already have gate access to Lot 53 will need to pay a \$10 deposit for a garage gate card. After receiving this notification, Access Services will place information about your plans within your parking permit file.
