Women in Tech Initiative

Are you a woman interested in a career in technology?

Please join us for:

WOMEN IN TECH INITIATIVE MEET-AND-GREET EVENT
Friday, February 3, 12:45pm – 2:00pm, Glennan 313
Light Refreshments will be served. All are welcome.

Who we are:

The Women in Tech Initiative fosters learning and growth in the fields of technology through mentorship and professional learning opportunities.

Our goals include:

- **Provide** academic, social and professional opportunities for women in the Department of Electrical, Computer, and Systems Engineering (ECSE) and the Department of Computer and Data Sciences (CDS) to succeed while also building community and togetherness in the field.

- **Transform** the environment of ECSE and CDS to be more inclusive and empowering for women.

- **Increase** the number of female faculty and enrolled students in ECSE and CDS.

- **Identify** mentors and role models that will enable women to envision themselves as leaders in technology.

- **Encourage** alumnae engagement through networking events and presentations to further create opportunities and build bridges for our students into the community.

What we do:

- **Foster** learning opportunities
- **Build** community with on campus gatherings
- **Share** resources about the field of technology
- **Host** networking events on and off-campus with leaders in the field
